MASTER'S MESSAGE

Greetings, Brethren!

I would like to begin by reiterating my appreciation for putting your trust in me to be your Master this year. Thank you all from the bottom of heart.

Congratulations to all the installed Officers. Our Installation of Officers on January 11, was very well attended by many brothers and sisters from our Lodge as well as from other Lodges, and I was so glad to see that the brethren, sisters, and friends enjoyed the festivities in harmony and I believe you all were aware of that, too.

Our Lodge has been living in harmony for quite some time, so, I would like us to continue to be a harmonious Lodge. Let us endeavor to always respect each other. Let us admonish any erring brother by giving good counsels in his ears in the friendliest manner possible so that we may be able to promote each other's welfare.

I say that "The strength of the fraternity depends on the brethren's unity.", because it literally is. I believe that unity in the Lodge can only be attained when there is harmony among the brethren. And, harmony among the brethren can only be realized when there is cooperation and respect with each other. So, let us cooperate and respect each other so that we may gain strength.

Thank you to all the Officers and brethren who attended our first Stated Meeting last January 14, 2020. It went very well because of your presence. Thank you also to the sisters who are ever supportive to our Lodge.

Fraternally,

Ramon C. Serrano
